LA SIERRA ACADEMY

2024-2025 FINANCIAL INFORMATION

Rev. 08/28/2024

951-351-1445
4900 Golden Avenue

GENERAL FINANCIAL INFORMATION

We thank you for joining the LSA Family. While La Sierra Academy's primary source of income is tuition, it does not cover the full cost of operating the school. Members of the Seventh-day Adventist Church support Adventist education with substantial church and conference subsidies. For your convenience, the annual tuition charge is divided into ten installments and billed August through May. The monthly installment plan is designed to help parents spread the cost of tuition over ten months and does not signify the cost of education per month. The first tuition payment is prorated if a student withdraws within the first TEN days of attendance. Subsequent tuition installments may be prorated if the student withdraws by the 10th of the month. By submitting an online application and a re-enrollment packet, each family agrees to LSA's financial terms and conditions. We ask that each family understands its commitment to the school and faithfully pays tuition and fees on time.

TUITION BILLING & PAYMENT PROCEDURES

Parents may access their FACTS account at any time to view their tuition payment plan and incidental billing. All payments are processed through FACTS. Tuition is due on the 10th of each month. If a payment is returned, FACTS will automatically assess a \$30 returned payment fee and a \$35 per student late fee. Payments made at the institution (LSA) and returned for any reason will be assessed a \$30 fee and may be resubmitted without notification.

ZERO BALANCE DAY

All accounts must be at zero balance by these dates to ensure continued attendance and sit for final exams.

December 10th, First Semester Clearance
May 10th, Second Semester Clearance

DELINQUENT ACCOUNTS

If an account remains unpaid by the last day of the month, the account is then subject to an attendance hold or suspension. As a result, students are not permitted to return to class or participate in any school sponsored activities until the balance is paid in full or a payment arrangement is established with Student Finance. An account will also be subject to this rule as a result of more than two returned payments. Once a payment arrangement has been made, the arrangement is null and void and the balance becomes due in full immediately if any portion of the payment arrangement is in default. If payment arrangements have not been made, La Sierra Academy reserves the right to withdraw the student(s) from school.

EXTENDED CARE

All students in grades K-8 who are not under the direct supervision of an adult before and after school will be sent to Extended Care (please see Extended Care schedule at www.lsak12.com). The rate for Extended Care is \$2 per 15 min or any portion thereof and \$2 per minute after 6pm Monday-Thursday and 4pm Fridays.
