**Application & Re-Enrollment:** To secure a student's place for the academic year, a non-refundable fee is required upon the annual submission of the new student application or returning student re-enrollment. For additional details and enrollment steps, please visit the admissions page at <https://lsak12.com/admissions/>.

**Financial Aid & Scholarships:** Providing a high-quality Christian education is a major commitment, and we strive to keep our program accessible through need-based tuition assistance. Eligibility for these funds is determined by a family's demonstrated financial circumstances and our established program guidelines. We look forward to discussing these possibilities with you to help make a Seventh-day Adventist Christian education a reality for your child.
