

LA SIERRA ACADEMY

Learning, Serving & Achieving through Christ

Dear La Sierra Academy Parent/Guardian:

LSA is once again partnering with La Sierra University (LSU) students to provide tutoring for Math via the video platform Zoom (www.zoom.us). We will begin the first tutoring session on Friday, January 8, 2021. The sessions will be every Friday, when school is in session, from 1:00 PM to 2:00 PM.

This form seeks to gain consent for your student to utilize the third party video meeting program Zoom for distance-based, virtual tutoring purposes. It's important for you to know that we are committed to keeping our students safe. There will be at least two tutors present for all tutoring sessions. LSA will follow the SECC Volunteer protocols when enlisting tutors from LSU.

Further, all activities online must comply with the Safety Policies of La Sierra Academy, including the Code of Conduct, Acceptable Use Policy, and Internet Safety Policy in the Student Handbook.

In order to participate in virtual tutoring, you will need to provide your child with the following:

- Internet access
- A Zoom compatible device (computer, tablet, smart phone)
- Quiet space/time at home to participate

We need:

- Current email address to receive video meeting invitations
- Current phone numbers of the parent/guardian (& student with parent permission) so that the tutors can coordinate meetings

COST: \$20 per quarter. Your FACTS account will be charged when you submit your consent form.

Please sign the LSA Parental Consent for Zoom Virtual Tutoring:
